Nemo™ 2010 Recoil LED™ Flashlight

The Nemo™ 2010 Recoil LED™ is Peli's flagship LED flashlight. Recoil LED Technology produces a white collimated beam that's as bright as an incandescent light and provides 10,000 hours of lamp life and extended battery burn time. The rugged, light weight ABS resin body is submersible to 500 feet and a twist on/off lens shroud eliminates accidental discharge. It is powered by 3 C alkaline cells. The Nemo™ 2010 is the future of LEDs.

Nemo™ 2010 Recoil LED™ Flashlight Specifications
