**SabreLite™ 2010 Recoil LED™ Zone 1 Flashlight**

The SabreLite 2010 Recoil LED is Peli's flagship LED torch. Recoil LED Technology produces a white collimated beam that's as bright as an incandescent light and provides 10.000 hours of lamp life and extended battery burn time. The rugged, light weight ABS resin body is submersible to 150 meters and a twist on/off lens shroud eliminates accidental discharge. It is powered by 3 C alkaline cells. The SabreLite 2010 is the future of LEDs. Certified to ATEX Zone 1 (Category 2).

**SabreLite™ 2010 Recoil LED™ Zone 1 Flashlight Specifications**

Length	Light Source	Tested Lumen Value	Tested Lux Value (@ 1 meter)
