8060 LED Flashlight

Introducing the all new full size, full power 8060 LED. Packed with the most advanced technology found in any duty light on the market. Powered by a rechargeable NiMH battery pack or 4C cells, the Peli™ 8060 LED is the longest running duty light today. Full size equals full performance and, at almost 33 cm in length, you can be sure that your 8060 will deliver in any emergency. Six hours of run time and 190 lumens of output ensures that your light will keep burning even when all hell breaks loose. Count on the 8060's rugged dependability, and a full list of features that includes a no-slip grenade grip and optional in-vehicle charger. 8060 LED. Where brawn meets brains. The 8060 LED can be used with 4C alkaline batteries (not included). When using this type of battery the peak light output is 190 lumens and the burn time is eleven hours.
